These are administrative and other new tools needed to get through the module. In addition to general administrative tools, I will try to include anything that you need to be alerted to within the module.

All of the material that you are required to read, watch, or listen to are listed here. The optional material will generally be under “Additional Resources”.

Consists of work that you are responsible for submitting in some way. This includes assignments, discussions, quizzes/tests, group work, and projects. I will specify which category of grades each assignment falls under.

Normally these will be helpful resources that are connected with the module. They are optional.
